## 2021 Virtual 5K & Fun Run

### About Us

REACH for Uganda is a non-profit organization that partners with communities in rural Uganda to improve the quality of their daily lives and realize their future potential through resources, environmental sustainability, academics, community development, and health.

To date, we have served nearly 1,000 students in our schools and over 30,000 in our outreach programs.

### Join Us!

We invite you to join our efforts through the gift of sponsorship. All proceeds support tuition, school supplies, PPE, teacher salaries, and healthcare for our students and their families.

Our previous race proceeds allowed us to build the first kitchen and library at one of our outreach schools. Students there now have access to food during the school day and new reading materials!

We can't wait to further our efforts in Uganda with your support.
