

# Join us on a life-changing trip to The Pearl of Africa, Uganda!

Imagine embarking on a transformative journey, where you can make a lasting impact while exploring the breathtaking landscapes and rich culture of Uganda. It's **not just a trip; it's an adventure of a lifetime!**

REACH's Adult Working Trip is an incredible opportunity to engage in a month (**August 1 - 30, 2024**) of sustained volunteer work with AAH projects in the beautiful Bududa and Namisindwa regions. These projects are dedicated to supporting education, healthcare, and economic development, and you could be a part of this meaningful endeavor.

## During this trip, you will experience:

- **Meaningful volunteering:** This trip offers a unique chance to engage in sustained volunteer work on AAH projects that directly contribute to education, healthcare, and economic development. Participants will be making a tangible difference in the lives of local communities.
- **Cultural immersion:** Uganda is known for its rich and diverse culture. This trip provides an immersive cultural experience, allowing participants to connect with the local people, traditions, and way of life.
- **Adventure and exploration:** With the option to join a safari and visits to extraordinary destinations such as Murchison Falls National Park, Rhino sanctuary, Chobe Safari Lodge and Park, Sipi Falls, and the source of the Nile, this trip promises an unforgettable adventure, a chance to explore the stunning landscapes, and witness Uganda's remarkable wildlife.
- **Personal growth:** Traveling to a new country and immersing oneself in a different culture can be a profound personal growth experience. It challenges one's perspectives, builds empathy, and broadens horizons.

## John Wanda, Team Leader

John recently retired from his full-time job as Principal and Senior Vice President, Finance at Chapman Cubine & Hussey, an Arlington, VA based direct marketing firm where he served for 16 years. His full-time commitment now is to REACH and AAH Uganda and the important work these organizations do in Uganda. As an original native of Uganda, John's passion and vision for Uganda and its rural communities has guided REACH and its growth. Through 20 years of service in Uganda, REACH's approach has been to empower local communities, build bridges between the US and Uganda, and introduce some of the most innovative programs that have worked well in the US to Uganda. John will provide volunteers on this trip with the perfect mix of Uganda originality and American practicability, fusing culture, pleasure and service in an unforgettable experience.
