Help a child in Uganda REACH for a better future.

Hello Joyce,

We are incredibly proud of the hard working students who achieved their dream of graduating from a university. They're Uganda's future and we are in awe of what they have been able to accomplish. We are equally proud of our REACH child sponsors who supported them and cheered them on all the way. We applaud the support they got from their parents and our staff, and the generosity of their sponsors.

In-Patient Care now offered at Beatrice Tierney Clinic in Bupoto

Our clinic in Bupoto now offers in-patient care thanks to the generosity of our donors and partners. This is a critical need for the community we serve. The clinic is staffed by a full-time medical doctor, clinical officers, nurses and lab technicians.
